PHONE BIDDING:

1. The horses you choose above to bid on will be assigned to one of our employees. Please know that the employee will be near our speakers which are very loud for both them and you. The day of the sale, our employee will call you between noon and 1 p.m. MST and go over the bidding process. i.e: The bid is at \$5,000, do you want to go to \$5,500, Yes or No? This is simple, and easy to understand. Please have an idea of your maximum bid as the bidding is rapid and they won't slow down to give you time to think about this. Auction time is 2 1/2 to 3 minutes/horse. If the auction **pauses**, the horse may be sold.
2. Prior to your horse entering the sale ring, the employee will phone you by 1st choice phone number, if busy the 2nd choice number will be used. Please be available during the time your horse is expected to be in the ring, we sell an average of 20-25 horses per hour, 3 minutes per horse, so you can estimate the time we will be calling you. Time Zone is MST.
